Edison Ballroom, 240 West 47th Street, New York, NY 10036

Dear Friends,

The CAIPA Foundation, Inc. is proud to announce that we will be returning to host the 2024 Asian Heritage Night, this May during Asian Heritage Month! This unique cultural celebration, in partnership with the Coalition of Asian-American Independent Physician Association (CAIPA), will incorporate themes from the Year of the Dragon as we celebrate the courage, enthusiasm, and graciousness of our health care community.

Now in its 16th year, the CAIPA Foundation has continued to promote community service programs and health awareness to Asian-Americans through education, advocacy, medical research, and work to make medical services more accessible. We would like to thank our generous donors and the continued support from our network of provider-members.

Join hundreds of leaders and champions from the medical community for this multi-media celebration of Asian culture through musical performances and cultural displays. Our celebration will include our awards ceremony to recognize the organizations and providers who have gone above and beyond with their services to the Asian-American community. Find out who will take home the "Community Award", "Primary Care of the Year", "Specialty of the Year", and "Lifetime Achievement Award"! Most importantly, we gather to thank all the health care stakeholders, health plans, government officials, hospitals, nursing homes, home care agencies, health care providers, and family members providing the most comprehensive and top-quality care to those in need.

If you would like to become a sponsor, please contact Karen Jung by May 10, 2024 at (212)965-9888, x106 or kjung@caipa.com. Thank you for your generous consideration. We look forward to celebrating with you.

Yours truly,

Sun-Hoo Foo, MD
President
CAIPA Foundation, Inc.

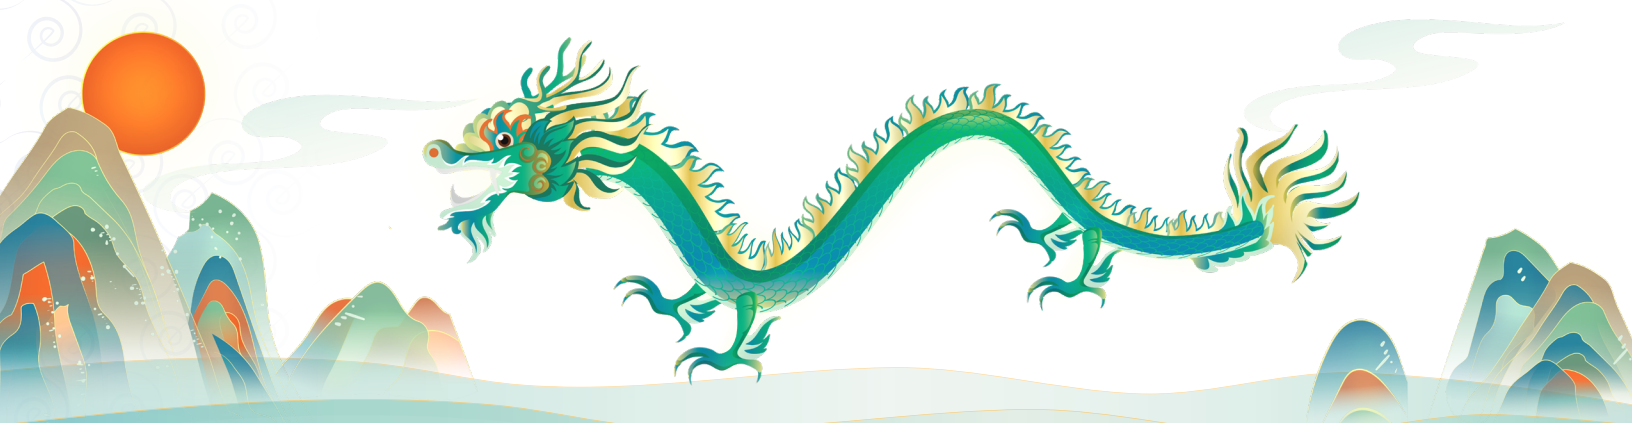

George Liu, MD, PhD
President & CEO
